The Ashburton Drive Primary School P&C Association Incorporated is a small but active organisation within our school community. We aim to promote the interests of the school and its students through cooperation between students, teachers and parents. The P&C is an officially recognised forum where parents can learn about the schools policies and programs; provides the opportunity for parents to assist in the provision of resources for the school and encourage positive attitudes and uphold the school values with students and the wider community.

All P&C Members are volunteers and donate their time for the benefit of the students and school.

You are encouraged to ask questions and seek information on any aspect of the P&C. One of the ways you can find out more is to attend a meeting. If you wish to have a say and a vote on matters, become a Member. Current annual membership to ADPS P&C is \$1.00 (you don't have to be a member to help!) The P&C meets at least twice a term, with the meetings held in the staffroom commencing at 7pm. Dates for the meetings will be posted on the P&C Facebook page and in the school newsletter. You can stay up to date with P&C events including meetings through the school newsletter and/or by joining our Facebook page.

### Fundraising

Fundraising is a very important part of the P&C. Without this, the P&C would not be able to function. In the past the P&C has purchased the smart board in the library, contributed to the leasing of the school computers, the school Chaplain, Sports Carnival, the perimeter fence and Edu Dance for all students. We host a number of different fundraisers throughout the year including Easter raffle, Mother's Day/Father's Day stall, sausage sizzle at carnival, school disco and more. We are only able to run these events with the help of our wonderful parents who donate prizes or volunteer their time. Please let us know if you can help too!

### Canteen

The canteen is operated by the P&C and abides by the Western Australian Department of Education's *Healthy Food and Drink* policy and the Traffic Light System that was introduced in 2007. We are also currently members of Western Australian Canteen Association. Our GFMD canteen is open every school day offering fresh healthy choices with **Great Food Made Daily**. More details are available on our menu. If you would like to volunteer in our canteen for a day, please speak to the canteen staff that can help you prepare and arrange the roster.

We are now able to offer online ordering for your convenience. Visit *QuickCliq* to register.

### Uniforms

The uniform shop is run by P&C volunteers. Located near the administration block, it is open every Thursday and Friday from 8.15am - 9.15am. There is an order form included with this information pack. All Ashburton Drive Primary School uniform items are available including polo shirts, faction shirts, shorts, sports skirts, jumpers, hats and more.

### School Banking

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits. It's also a great way to help us fundraise with rebates coming back to the P&C. Banking is every Friday at the canteen from 8.15am to 8.45am. For any enquiries regarding banking, please see the volunteers at the canteen on Friday mornings.
