The Scenario

Very soon, your class will be celebrating the International Day of Friendship. To help mark the occasion, your teacher is asking everyone in the class to design and make a friendship band for a special friend. You will need to use coloured, circular beads in a repeating pattern. You must use at least three colours in each design.

Your teacher would like you to create three different friendship band designs before deciding which one you like the best. You will also need to describe the pattern you have used in each design.

The Task

To create three friendship band designs using a repeating colour pattern.

The Materials

- Coloured pencils or markers
- String
- Coloured Beads

The Procedure

1. Colour three different friendship band designs on the template provided.
2. Describe the colour pattern that you have used for each design.
3. Choose which friendship band design you like the best.
4. If the materials are available, make your design using string and coloured beads.
