## Principal's Address

### Good afternoon parents/ care givers,

Good afternoon parents and caregivers,  
Thank you for your continued support throughout this term. The Mother's Day stall was highly successful and was run beautifully by our wonderful volunteers, mostly P and C members. The Year 6 students had an amazing result with their raffle and our Kindergarten students enjoyed a fun time with their Mother's Day pampering morning.

We hope all our mother figures had an amazing day!

### Staffing

Welcome to Miss Madeline O' Malley to our 2021 teaching team. Miss O' Malley has accepted the position of Physical Education teacher for our Year 2 and 3 students. Miss O' Malley is known to staff and has already demonstrated what an incredible educator she is with our Room 4 students. Miss Hawkes has accepted the position as classroom teacher in Room 4 for the remainder of the year. She is very excited! Miss Hawkes has previously taught Pre -Primary and this opportunity allows her full time, permanent status at Ashburton Drive PS. We are thrilled to have you working towards improving the education programs for our students.

### Olympics Unleashed

As reported in the last newsletter we have been selected as the launch school for this program in WA. We have now received word that the athlete aligned with our wonderful school is Natalie Burton. Natalie is an Olympic basketball player who has competed in the 2016 Rio Olympic Games and was a bronze medallist at the 2014 World Championship. Our Year 6 students are looking forward to this program commencing.

### Bike Shed refurbishment

Terry Healy made an election promise of \$10 000 for this project. We have had recent contact that this will be financed soon and are looking into pricing a more secure area for the bikes and scooters.

## Working with Southern River College

We are very lucky to have a strong working relationship with our feeder high school, Southern River College (SRC). Last week, students currently participating in the Inspire programs at SRC (Music, Soccer, Academic and STEM) presented to our Year 6 students about the opportunities open to them as they enter high school. Our students were definitely left inspired and we appreciated the time both the students and staff took to share their programs with us. On Friday next week, our students in Year 1 – 3 have been invited to be the audience for the Year 8 Drama students who will be presenting a play called "*Reimagined Fairy Tales*". We are very excited about being able to visit the auditorium at the high school and provide an authentic audience the Year 8 students are able to perform for.

## Camp Australia

As you may have seen on Facebook, we were the lucky winners of \$1000 from Camp Australia for the most engagement in the National Handball competition. If you have ever been out in the playground this would come as no surprise. Our students LOVE handball!

## Positive Behaviour Support Focus Term 2 Weeks 5 is “Stay on Task”

Week five of Term 2 the focus of our PBS lessons (Positive Behaviour Support) was to “Stay on task” and is taken from our focus area of Do your best by Djiti Djiti. Please support us by discussing this with your children and encouraging them to stay on task both at home and school.

Kind Regards  
Heather Fallo
