Principal's Address

Dear parent and caregivers,

Welcome to Term 3! Amazing that we find ourselves half way through the academic year. Our Year 6s will be busily preparing for graduation before we know it.

Term 3 brings with it many sporting events. Next Friday, the 30th of July is our school Cross Country and on the 13th of August is the interschool Cross Country. All students will also be busily preparing for our school Sports Carnival on the 24th of September with the jumps and long distance occurring over the Monday and Wednesday of Week 10 (20th and 22nd). We hope many of our families can attend and that COVID stays away.

School Board

The School Board have been discussing the branding of our school over the past 6 months and we are now at a stage where we will be taking some action. Please keep an eye out for a parent survey which will be sent soon. We need your input to reflect on who we are as a school community in order to create a branding image. This will be inclusive of a new, modern logo for the school and factions. The second phase will be in developing our environment and updating our signage and grounds.

The School Board have also updated the Dress Code policy which can be found on our website.

Bike Shed Upgrade

We were very fortunate to receive some funding via Terry Healy for a bike shed upgrade. Over the next few weeks the bike shed will be shortened to allow for more play space on the oval. There will be the construction of a roof and flooring. Let's hope those bike seats are a little less wet or scorching hot!

Staff Changes

Whilst we have had some staffing changes recently the processes are very close to being finalised. Science, Physical Education and Room 3 staff will be announced as soon as clearance has been received.

Classroom Item - Room 15 & 16

Rooms 15 and 16 were very lucky to be able to attend the Resources and Technology Showcase at the Perth Convention Centre on 21st June. There were lots of interesting STEM exhibits and goodies to bring home. They had fun using the virtual reality goggles, playing with robots and getting dressed up. Thankyou to Mrs Elsbury for helping organise the day.

Rooms 15 and 16 have been studying the art of Wassily Kandinsky. Kandinsky felt that he could express his feelings through colours and shapes in his abstract paintings. The students were able to use a variety of media, including texta, paint and chalks to create colourful, abstract pieces of art.

Next P&C Meeting

Next P&C Meeting Our next P&C general Meeting will be Monday the 2nd August at 6pm in the staff room. Everyone Welcome – we would love to see some new faces and new ideas.

Lost Property Box

If you feel your child has lost an item please come and take a look at our lost property box outside the library. Please remember to label your child's hat/jacket or personal items so we can bring them back to your child if misplaced.

Uniform Shop

Uniform shop is open Tuesday & Friday 8.15 to 9.15am.

The uniform shop will be closing a little earlier on Friday the 30th July for the assembly, thank you for your understanding.

RagTagd items, if you have purchased a school jumper or smart tag stickers, please be sure to activate the tags and label your child's clothing to avoid misplaced items.

All ragtagd items are place in our special lost property cupboard, items are scanned and a text message will be sent to corresponding parents, that your item has been found. Otherwise any other lost property is in the box near the library entrance.

Also parents please check name tags as it can be very easy for kids to accidentally take home the wrong jumper.

School photos are just around the corner, that's a perfect time to replace tired or faded school polos for a fresh crisp new one.

I'm taking orders now for faction carnival.

If you would like a new polo for your child or maybe the whole family need a house colour polo, be sure to have your order in and paid by 24th August to avoid disappointment as only a limited amount of stock is kept in store.

Thank you
Regards

Katie uniform shop coordinator
