Lost Property Box

If you feel your child has lost an item please come and take a look at our lost property box outside the library. Please remember to label your child's hat/jacket or personal items so we can bring them back to your child if misplaced.

Uniform Shop

Uniform shop is open Tuesday & Friday 8:15 to 9:15am.

RagTagd items, if you have purchased a school jumper or smart tag stickers, please be sure to activate the tags and label your child's clothing to avoid misplaced items.

All ragtagd items are placed in our special lost property cupboard, items are scanned and a text message will be sent to corresponding parents, that your item has been found. Otherwise any other lost property is in the box near the library entrance. Also parents please check name tags as it can be very easy for kids to accidentally take home the wrong jumper.

I'm taking orders now for faction carnival.

If you would like a new polo for your child or maybe the whole family need a house colour polo, be sure to have your order in and paid by 24th August to avoid disappointment as only a limited amount of stock is kept in store.

Thank you
Regards

Katie uniform shop coordinator
