Principal's Address

Dear parent and caregivers,

Welcome back to Term 4. This term will go crazy fast with many activities and events scheduled so we hope everyone had a very relaxed school holidays and are energised for the 'home run'.

Anti-poverty Day

Our Year 6 students worked very hard to ensure they were prepared and organised for Anti-poverty Day today. They were excited to be the leaders of this event after participating for all of their schooling. Money raised will be donated to local charities, we will keep you updated as to how much is raised and which charities the students have selected.

Communications

In order to remain updated on school events please keep an eye out for these newsletters, Connect notices and Facebook posts. If you have any questions please do not hesitate to email the classroom teacher or school office.

School Board

The next School Board meeting on the 18th of November will be an open meeting. It will commence at 6:00pm in the staffroom. All are welcome to observe the meeting and possibly consider joining in 2022. We will be discussing planning for 2022 and budgeting.

PEAC

Our Year 4 students completed the PEAC testing last term. PEAC offers a supplementary program for identified students and provides them with the opportunity to extend, challenge and develop their thinking skills.

Identification of these students has been conducted through testing, marking and ranking of each student's results from over 22,000 students across WA. Placements into PEAC, based on testing, are highly competitive. Any students successfully gaining entry into the program will bring an information letter home.

Swimming

Thank you for recognising the importance of swimming education and enrolling your child/ren. Swimming commences on Monday the 25th for two weeks.

Students become particularly hungry when engaging in swimming classes so please ensure they have an extra snack at this time. It is important that a towel and change of clothes are brought daily in a plastic bag. Please label all items.

Students will be changing back at school so the loss of items should be reduced, we hope!

Staffing 2022

Staffing Planning for 2022 has begun. It is imperative that we have accurate student enrolment numbers in order to create our class structures. If you know your child/ren will not be attending ADPS next year, please notify the office as soon as possible. Students remain on our system until the new enrolment at another school is complete, but this early notification assists greatly with our planning. Also, if you are aware of new students who may be joining us please encourage them to complete the enrolment process as soon as possible, particularly Kindergarten.

Positive Behaviour Support Focus Term 4 Week 3 & 4 is “Be Respectful to all Visitors and Staff”

Week three and four of Term 4 the focus of our PBS lessons (Positive Behaviour Support) is to “ Be respectful to all visitors and staff” and was taken from our focus area of Show Care and Respect by Yerdarap. Please support us by discussing this with your children and encouraging them to be respectful to all visitors and staff both at home and school.

We hope you all have a fabulous term.

Kind Regards
Heather Fallo
Principal

Breakfast Club

Mrs Kelly and Ms Downie, have been busy on Monday and Tuesday mornings making toast and Milo for students across the school at our Breakfast Club. As the warmer weather approaches we will also have the options of some breakfast juices instead of Milo. Breakfast Club provides an opportunity to start the day sharing conversation and a light breakfast with friends (even if they have already had something at home!) Students then move to either Running Club on the oval or Reading Club in the Library before going to class at 8.35am. It has been great to see so many faces there in the mornings – students are even helping prepare and serve! Well done!

Foodbank Donations

Thank you to all the families who have donated to the Foodbank drive. We will present our donation at the next Assembly in Week 5.

Faction Carnival 2021

MuSiC NEWS..!!!

It's a busy time of year for the Specialist Performing Arts students...

Graduation Rehearsals are in full swing with the Year 6s. Our Senior students are enjoying selecting and creating their items for their graduation ceremony. Together we will come up with some dazzling performances for both our wonderful graduation ceremony and school assembly.

Below are some photos of our **Choir** students thoughtfully considering their graduation song choices.

Our **DRUMBEAT** students are also in the process of revising the rhythms learnt previously and creating their own sequence of rhythms for Graduation.

PuPPeTs & CLoWnS!!!

Throughout the year students have had the vital role of promoting good values and Positive Behaviour via our Assemblies, where possible.

Students will continue to do this in term 4.

Stay tuned.... as the PuPPeTs & CLoWnS group is also hoping to make an appearance at the Pre-Primary Graduation Ceremony.

IMSS (Instrument Music School Services)

BRASS & GUITAR

Our gifted and talented Brass and Guitar students are preparing their performances for Graduation and the Endeavour Awards. Mrs Tait and Mr Lieftink are excited to assist our students with this.

The Year 4s are currently in the process of practising for their Music Aptitude Test for IMSS and will be tested in week 3 & 4. Once selected, families will be notified.

The 2022 Musical

We are excited to start working on our musical, *Hoodwinked* with our students. We hope to cast our main characters by the end of the year and students who are interested in trying out for a lead role will go through a process of auditions, first in Music class and finally in their own time (early mornings or after school). More information will be provided when students have been shortlisted.

Musically yours,
Ms NeL Ranasinghe – Music Teacher

Lost Property Box

If you feel your child has lost an item please come and take a look at our lost property box outside the library. Please remember to label your child's hat/jacket or personal items so we can bring them back to your child if misplaced.

CVC Approved Specialist Circus Program

Canning Vale College offers a unique **Approved Specialist Circus Program**. This is a school based extension program designed for students with an interest and talent in circus skills and performing on stage.

This program introduces students to broad range of skills from learning a range of circus equipment through to developing and performing routines and whole stage shows. Students in this program have the opportunity to work with their peers to develop their skills plus a range of external tutors from WA, across Australia and International.

The most visible aspect of the Program is the Act Belong Commit CVC Circus Troupe, but this is only one tier within the program. All students in the program are sorted into one of the two afterschool tiers, the Junior Training Troupe and Senior Performance Troupe. This runs on either a Tuesday after school (Junior Training Troupe) or Wednesday (Senior Performance Troupe).

Students take part in many performance opportunities both during school and after hours. The Act Belong Commit CVC Circus Troupe has been actively involved in the Fringe World Festival, Telethon, RAC Christmas Pageant, Primary School Tour, Country Tour, National and International tours plus a number of workshops and performances for local community and school groups.

Students accepted into this program will be enrolled in an Extension Circus unit from Year 7 and may continue in the extension class through to Year 10.

The program then expands in Years 11 And 12 with a Certificate II in Creative Industries. This course offers a comprehensive overview of all aspects of the live productions and gives participants experience in writing and scripting, stage management, lighting, production development and directing.

The Program is selective and highly competitive. Auditions will be held in Week 4, Wednesday 3rd November 2021 from 11:50am – 2:30pm.

To apply for this program please fill out the CVC Approved Specialist Application Form, available from CVC or the College Website.

For more information about this program please call enrolment officer on 9334 9000 or email Grace.Murray@education.wa.edu.au
