

Principal's Address

Good morning parents and caregivers,

Thank you for your incredible patience as we navigate the COVID rules and endeavour to communicate all updates to you. It is more important than ever that you are able to access Connect. If for any reason you cannot access Connect, please contact us on 9234 6300 or email AshburtonDrive.PS@education.wa.edu.au.

Please note: the emails can take some time depending on the internet traffic. If you receive a notification call as your child is directly affected, you can access the update by logging in.

If someone in your household or a student tests positive, please notify us immediately.

Breakfast Club

It was great to see so many student's attending our Breakfast Club on Monday and Tuesday morning in the Undercover Area. Mrs Kelly and Monica would love to see as many students as possible visit them in the Undercover Area on Monday and Tuesday mornings from 8am for Milo and toast.

School Review Visit

We had outstanding feedback from our reviewers and greatly appreciate Board members and P and C members who volunteered their time to participate in the discussions. The review document has not been sent as of yet; however, when it is finalised it will be on Schools Online for your to peruse. School Overview Ashburton Drive Primary School (det.wa.edu.au)

Positive Behaviour Support Focus Term 1 Week 7 & 8 is "Control Sporting and Play Equipment"

Week seven and eight of Term 1 the focus of our PBS lessons (Positive Behaviour Support) is to "Control sporting and play equipment" and was taken from our focus area of Do Your Best by Djiti Djiti. Please support us by discussing this with your children and encouraging them to 'Control sporting and play equipment' both at home and school.

Foodbank WA School Incursion.

On Thursday the 3rd of March, Room 16 and Room 15 had a Food Sensations® for Schools incursion. They learnt about healthy eating, did a fun nutrition education activity and cooked up a storm! Both classes cooked 6 healthy and delicious recipes together, and at the end they all sat down and had a feast. Students were given recipe books to use at home and we are looking forward to seeing what they cook next.

If you want to know more about Foodbank WA and their FREE programs for parents and adults, go to <https://www.foodbank.org.au/WA/healthy-eating-cooking-programs/?state=wa> for more information.

Aboriginal Season Totem Poles

Our year 5 students have worked very hard to tidy up our Bush Tucker Garden and now we have just installed in our Aboriginal Season Totem Poles in the bush tucker garden which is located behind the library near the oval. Wow just wow Mel Spillman. We just love our new addition and can't wait to create the wall mural with our students. Thank you Bryce for installing them and the year 6's who assisted.

National Day of Action Against Bullying

On Friday 18th March, we will celebrate National Day of Action Against Bullying. In preparation for this important event, the students in Year 1, 2 and 3 participated in an online webinar by Bullyzero during Week 6. The students were provided with evidence-based information on bullying, taught how to identify and label the different types of bullying and learned about the impact that bullying can have on young people. They were also taught a variety of strategies to help them assess and respond to bullying situations, whilst also identifying and understanding the role of bystanders.

Avenues for Information

There are so many school events taking place this term. Please stay up to date with the latest information by ensuring you are connected to Connect. Both the Primary School and P&C are on Facebook, please find us there for updates and notices. The school website can be found at <https://www.ashburtondriveps.wa.edu.au/>.

Classroom Item - Room 12

This term we have been learning about narratives! We used the class model of “Little Red Riding Hood!” as our starting point. As a whole class, and then in groups, we recounted the text.

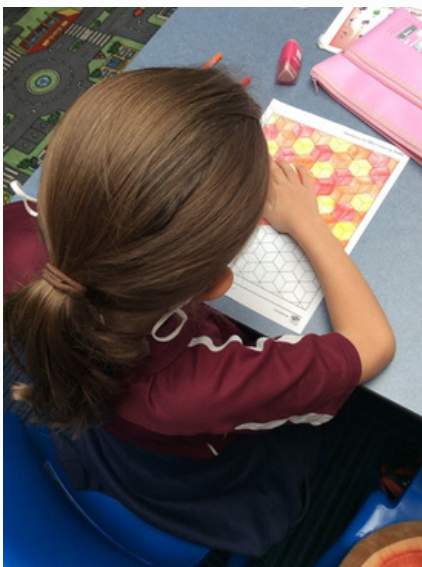

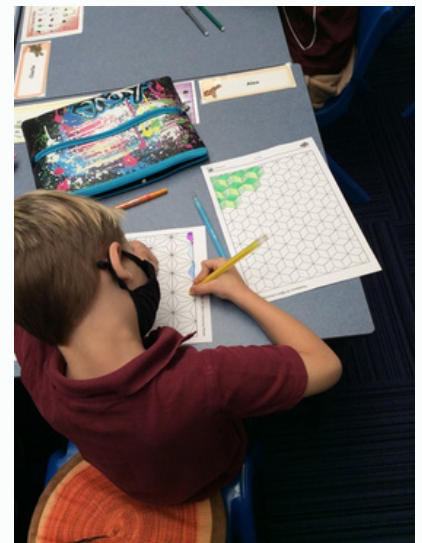

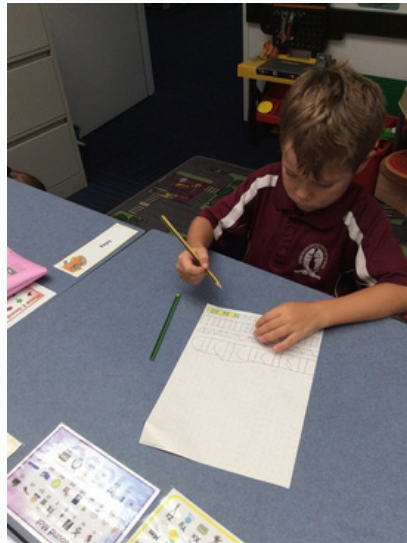

We have had great fun acting out our story. Check out our actions! We got to pretend to be the different characters and recounted the story using stick puppets.

In Art, we created Zentangles, where we developed our ability to use different patterns using pencil. Our favourite characters, from Little Red Riding Hood, were used for inspiration.

Students have just started to learn about tessellation art. They have been learning to create their own patterns, and also ways to make their tessellation art look 3D using colour.

KIDZ KLUB MUSIC FUN

WITH SAM

For ages 6-12

This exciting 5-week music therapy program is filled with music centred experiences specifically designed for children and their needs. With no prior musical experience needed just a willingness to participate and passion for creativity.

Led by a Registered Music Therapist, participants will have an opportunity to

engage in music-making, instrument exploration, music creation and creative movement. Using tactile percussion instruments like drums, bells, shakers and many more exciting instruments. The program will start with creative drumming before diving into creative music-making, finishing with music and imagery.

The purpose of this program is to promote social skills, self-expression, explore

verbal and non-verbal communication and develop new friendships, in a creative and supportive environment. Group members will have space to freely and creatively express themselves through the use of music. Two 5-week groups will be run.
