## DEAR PARENTS AND CARERS

Attached to this parent information letter is a list of 2024 Student Requirements together with our Schedule of Voluntary Contributions and Charges for 2024.

The supplier for 2024 will be *Campion Education (Aust) Pty Ltd*. This was arranged in consultation with our Finance Committee and School Board, in an effort to save costs for families.

Although there is no obligation to use this supplier, in doing so you will be assisting the P&C Association. The commission received via *Campion's* pre-order system, is one of the P&C's fundraisers for the year. Should you chose to use an alternative supplier, would you please ensure that you purchase 'like for like' items for example, obtain triangular pencils not round, where specified; and obtain wooden rulers not plastic, where specified.

- Voluntary Contributions for 2024 have been set at \$50 per child. This has been approved by the School Board. There is also an additional Voluntary Approved Request of \$5 for Chaplaincy, also approved by the School Board. I encourage you to pay these amounts when making payment for the Student Requirements.
- The School Board has approved a Voluntary P&C contribution of \$10 which appears on the Student Requirements lists. This has been put in place in an attempt to reduce the number of fundraising activities held throughout the year.
- The Schedule of Charges for 2024 is intended to give parents advanced notice of the maximum cost of school activities for the 2024 school year. The actual costs may be less. It is not compulsory for students to participate in all activities.
- The recommended deadline for placing your orders for the Booklists via [www.campion.com.au](http://www.campion.com.au) is **15 December 2023 (online orders only)**. Please refer to the payment and collection options noted on the front page of 2024 Personal Requirements List (Booklist).

Yours sincerely
