

Principal's Address

Dear Parents and Caregivers,

We are coming to the end of the year very quickly. Staff are busily writing reports and students are impressing everyone with their leadership and citizenship skills in preparation for leadership voting in Year 5 as well as the coveted class Endeavour award K- 5, not to mention all those fabulous Year 6 awards presented at graduation. We hope families are able to attend these special events.

Kindy Play

We had another outstanding day of fun with our 2026 Kindy cohort, who joined us on Wednesday! It's such an important time for our littlest learners to meet our wonderful staff, explore their new school environment, and begin building positive connections that will help them feel confident and excited for the year ahead. A heartfelt thank you to all our new and incoming caregivers who attended and supported this event. Your involvement helps make the transition to school a smooth and enjoyable experience for our Kindy children.

Respectful relationships

As part of our recognition of White Ribbon Day, students will be participating in a range of fun and collaborative activities designed to promote respectful relationships and positive interactions with others.

This important day encourages our school community to reflect on the values of respect, kindness, and equality, and to continue building a culture where everyone feels safe and valued.

We look forward to a day of learning, teamwork, and connection as we celebrate the importance of respect in all relationships.

Planning for 2025 has begun

It is imperative that we have accurate student enrolment numbers in order to create our class structures. If you know your child/ren will not be attending ADPS next year, please notify the office as soon as possible. Students remain on our system until the new enrolment at another school is complete, but this early notification greatly assists with our planning. Also, if you are aware of new students who may be joining us, please encourage them to complete the enrolment process as soon as possible, particularly in Kindergarten.

Placement requests

When considering a class placement request, please do not assume our teachers will be in the same class or year levels they are currently as some changes to this are always necessary.

It is important to note the complexities involved in establishing classrooms and that parent requests are one of several pieces of information considered when arriving at class placement decisions. These requests must be for educational reasons and are required, in writing, by 14th November 2025. If you should have an extreme concern for your child, we will extend this deadline to Tuesday close of business. Via email: ashburtondrive.PS@education.wa.edu.au or a note dropped into the office. While we will do our very best to accommodate all requests, it is not always possible to do so

Positive Behaviour Support Focus Term 4 Weeks 5 & 6 is Act Responsibly - 'Wear a sun safe hat when outside'

In weeks five and six of Term 4, the focus of our PBS lessons (Positive Behaviour Support) is 'Wear a sun safe hat when outside' and was taken from our focus area of 'Act Responsibly' by Jingee. Please support us by discussing this with your children and encouraging them to 'Wear a sun safe hat' when outside, both at home and at school.

Kindy and Pre-Primary enrolment.

Applications are now open for Kindergarten and Pre-Primary 2026. If you have a child who is eligible and you have not already submitted an application to enrol, please complete an application for enrolment and return it to the front office. When applying, please ensure you have the following relevant documents attached: 1 x proof of address, Birth Certificate, Australian Citizenship Paper or Visa/Passport (if applicable), and an Immunisation History statement downloaded from the Medicare website, which must be dated within the last two months.

Avenues for Information

Please stay up to date with the latest information by ensuring you are connected to Connect. Both the Primary School and P&C are on Facebook. Please find us there for updates and notices. The school website can be found at <https://www.ashburtondriveps.wa.edu.au/>

Kind Regards

KAPTURE PHOTOGRAPHY

It has been a very busy and exciting term for the Physical Education Learning Area. We started the term with a spectacular win at the Interschool Athletics Carnival, something that all the students should be proud of. Even the students who didn't participate on the day spent many lessons preparing for it in the lead-up.

As the weather has begun to warm up, we have been utilising our undercover area and much-loved set of Dodge Balls that the P & F kindly donated to us earlier in the year, something we are all very grateful for. Between dodging balls, we have started moving towards our Summer Sports focus and working on our Cricket and Tennis skills.

As we wrap up the term, we will be very excited to welcome Gecko Sports to our school, who will have some exciting clinics for us to enjoy, thanks to our Term Four Sporting Schools Grant.

Term 4 Week 5

Over the weekend, we encouraged students to participate in programs that help them understand the importance of Remembrance Day and why we celebrate it. The children's response to these programs were overall positive and the educators were able to help and assist in these programs. Children made Poster, Wreath, designed their own medal and discussing what Remembrance Day is. We were able to witness our children use the tools learnt through these programs and hope they are now able to implement them during school and at home.

Playing outdoors gives children opportunities to learn as they explore, experiment, create and express themselves. When children play outdoors their agency, problem solving, curiosity and creativity grow. Children actively participated in ball games such as basketball shooting skills, dribbling techniques. Teaching them the rules of basketball is essential for their development and enjoyment of the game.
